MENTOR WORKSHOPS

2025
2026

OUHSC is providing mentor workshops for faculty to learn how to be effective mentors. The workshops provide an opportunity to understand and discuss six competency skills of effective mentors:

- Maintaining Effective Communication (MEC)
- Aligning Expectations (AE)
- Assessing Understanding (AU)
- Cultivating Ethical Behavior (CEB)
- Fostering Independence & Well Being (FIW)
- Promoting Professional Development (PPD)

Register for this workshop if you are a faculty member who has or will be mentoring medical students, residents, fellows, graduate students, or junior faculty.
